Upgrade seamlessly by paying only the difference.

Example: If a user buys Slot1 with 0.025 BNB then for the activation of Slot2, User don't need to pay the full Slot2 price (0.05 BNB),

Only pay: Next Slot Price(0.05) - Invested amount(0.025) = 0.025BNB + 15% pf

All transactions are in BNB. The 15% Processing Fee contributes to the ecosystem's Reward funds distribution, sustainability, marketing, and the platform maintenance

Exceptional Distribution

SLOT 2

**The income of the Slot2 only goes to the direct referrer,
it does not go in the team.**

Whole 100% is distributed to the referrer

Even if a user refers a person upto slot 2, Then he gets 25% for the purchase of the Slot1 and whole 100% for the purchase of the slot 2.

The Smart Upgrade Fund

The Upgrade Fund drives your continuous growth and maximizes earnings:

- **Automatic Allocation:** 20% of all your commissions go to your Upgrade Fund.
- **Seamless Upgrades:** You can use your upgrade fund to purchase higher slots easily. (You only pay the difference required, slot price - upgrade fund)
- **Flexibility :** Upgrade funds are all in user's control, they can anytime choose to withdraw their upgrade funds with a 20% deduction for the reward funds.

Your Benefit: Automatically climb to higher tiers, earning more from larger commissions and pool distributions. **Passive growth built-in!**

**Upgrade
seamlessly by
paying **only the
difference.****
